

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 23, 2018

Lieutenant William Ryan
Pharr Police Department
1900 South Cage
Pharr, Texas 78577

OR2018-04249

Dear Lt. Ryan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 696889 (ORR# P000238-120417).

The Pharr Police Department (the "department") received a request for information pertaining to a specified incident involving a named individual. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the department's obligations under section 552.301 of the Government Code, which prescribes the procedural obligations that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e)(1)(A)-(D). You inform us the department received the request for information on December 4, 2017. We note the department was closed on December 22, 2017, and December 25, 2017. This office does not count the date the request was received or holidays for the purpose of calculating a governmental body's deadlines under the Act. Accordingly, the department's fifteen-business-day deadline was December 27, 2018. However, we did

¹We understand you to raise section 552.108 based on the substance of your argument.

not receive a written copy of the request for information until January 2, 2018. There is no postmark on the envelope in which the request for information was sent to this office, and we are otherwise unable to determine the department mailed this information on or before December 27, 2017. Consequently, we find the department failed to comply with the requirements of section 552.301(e) in requesting this decision from our office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Although you claim the submitted information is excepted under section 552.108 of the Government Code, we find you failed to establish a compelling reason to address your claim under this exception. However, because sections 552.101 and 552.130 of the Government Code can provide compelling reasons to overcome the presumption of openness, we will address the applicability of these sections to the submitted information.²

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses other statutes, such as section 560.003 of the Government Code, which provides, “[a] biometric identifier in the possession of a governmental body is exempt from disclosure under [the Act].” *Id.* § 560.003; *see id.* § 560.001(1) (“biometric identifier” means retina or iris scan, fingerprint, voiceprint, or record of hand or face geometry). There is no indication the requestor has a right of access to the biometric identifiers under section 560.002. *See id.* § 560.002(1)(A) (governmental body may not sell, lease, or otherwise disclose individual's biometric identifier to another person unless the individual consents to disclosure). Accordingly, the department must withhold the biometric identifiers we marked under section 552.101 of the Government Code in conjunction with section 560.003 of the Government Code.

Section 552.101 of the Government Code excepts “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 411.083 of the Government Code, which pertains to criminal history record information (“CHRI”). CHRI generated by the National Crime Information Center (“NCIC”) or by the Texas Crime Information Center is confidential under federal and state law. CHRI means “information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions.” *Id.* § 411.082(2). Title 28, part 20 of

²The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

the Code of Federal Regulations governs the release of CHRI obtained from the NCIC network or other states. *See* 28 C.F.R. § 20.21. The federal regulations allow each state to follow its individual law with respect to CHRI it generates. Open Records Decision No. 565 at 7 (1990); *see generally* Gov't Code ch. 411 subch. F. Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety ("DPS") maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1, of the Government Code. *See* Gov't Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411. We note Federal Bureau of Investigation ("FBI") numbers constitute CHRI generated by the FBI. Upon review, we find the information we marked consists of CHRI which the department must withhold under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code and federal law.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). However, the right to privacy is a personal right that lapses at death and the common-law right to privacy does not encompass information that relates only to a deceased individual. *Moore v. Charles B. Pierce Film Enters., Inc.*, 589 S.W.2d 489, 491 (Tex. Civ. App.—Texarkana 1979, writ ref'd n.r.e.); *see also Justice v. Belo Broadcasting Corp.*, 472 F. Supp. 145, 147 (N.D. Tex. 1979) ("action for invasion of privacy can be maintained only by a living individual whose privacy is invaded" (quoting RESTATEMENT (SECOND) OF TORTS § 652I (1977))); Attorney General Opinions JM-229 (1984) ("the right of privacy lapses upon death"), H-917 (1976) ("We are . . . of the opinion that the Texas courts would follow the almost uniform rule of other jurisdictions that the right of privacy lapses upon death."); Open Records Decision No. 272 (1981) ("the right of privacy is personal and lapses upon death"). Accordingly, information pertaining to a deceased individual may not be withheld on common-law privacy grounds. Thus, the department must withhold all living public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the department must withhold the biometric identifiers we marked under section 552.101 of the Government Code in conjunction with section 560.003 of the Government Code. The city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code and federal law. The department must withhold all living public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The department must withhold the information we marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
