Mr. Matthew Grove  
Assistant County Attorney  
Fort Bend County  
401 Jackson Street, 3rd Floor

Dear Mr. Grove:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 697020.

The Fort Bend County Sheriff's Office (the "sheriff's office") received a request for the complete report for a specified case. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Code § 552.101. This section encompasses information confidential under section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information consists of files, reports, records, communications, audiotapes, videotapes, or working papers used or developed in an investigation under chapter 261 of the Family Code or in providing services as a result of an investigation. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code); *see also id.* § 101.003(a) (defining “child” for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to section 261.201 of the Family Code. We have no indication the sheriff’s office has adopted a rule that governs the release of this type of information. Therefore, we assume no such rule exists. Given that assumption, the information at issue is confidential pursuant to section 261.201(a) of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute). Accordingly, the sheriff’s office must withhold the submitted information from disclosure under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
