

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

February 26, 2018

Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283-3966

OR2018-04391

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 697042 (COSA File No. W193302).

The City of San Antonio (the "city") received a request for all information related to the death of a named individual. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note the submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.<sup>2</sup> However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note the submitted information includes court-filed documents. Section 552.022(a)(17) of the Government Code provides for required public disclosure of “information that is also contained in a public court record[.]” unless the information is expressly made confidential under the Act or other law. Gov’t Code § 552.022(a)(17). You seek to withhold the information at issue under section 552.108 of the Government Code. However, this section is a discretionary exception to disclosure that protects a governmental body’s interests and does not make information confidential under the Act. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Therefore, the city may not withhold the court-filed documents, which we have marked, under section 552.108. However, because section 552.130 of the Government Code makes information confidential for purposes of section 552.022, we will address its applicability to the court-filed documents subject to section 552.022(a)(17).<sup>3</sup> Further, we will address your arguments against disclosure of the remaining information.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or

---

<sup>2</sup>As we are able to make this determination, we need not address your argument against disclosure of this information.

<sup>3</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision No. 481 (1987), 480 (1987), 470 (1987).

prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to an active criminal investigation. Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the information subject to section 552.022(a)(17) of the Government Code and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. With the exception of the information subject to section 552.022(a)(17) of the Government Code and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code. The city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The city must release the basic information and the remaining information in the court-filed documents.<sup>4</sup>

---

<sup>4</sup>We note the remaining information contains a social security number. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person’s social security number from public release without the necessity of requesting a decision from this office under the Act. *See* Gov’t Code § 552.147(b).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
