Ms. Cynthia Tynan
Senior Attorney & Public Information Coordinator
The University of Texas System

OR2018-04415

Dear Ms. Tynan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 696975 (OGC# 178721).

The University of Texas at Austin (the "university") received a request for a specified contract and pricing for custodial services for athletic facilities. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. Additionally, you state release of this information may implicate the proprietary interests of ABM. Accordingly, you state, and provide documentation showing, you notified ABM of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the submitted arguments and reviewed the submitted information.

Initially, we note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from ABM explaining why the submitted information should not be released. Therefore, we have no basis to conclude ABM has protected proprietary interests in the

submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the university may not withhold the submitted information on the basis of any proprietary interest ABM may have in the information.

Next, we note the submitted information consists of information that is subject to section 2261.253 of the Government Code. Section 2261.253 provides, in relevant part, as follows:

(a) For each contract for the purchase of goods or services from a private vendor, each state agency shall post on its Internet website:

(1) each contract the agency enters into, including contracts entered into without inviting, advertising for, or otherwise requiring competitive bidding before selection of the contractor, until the contract expires or is completed[.]

(b) A state agency monthly may post contracts described by Subsection (a) that are valued less than \$15,000.

Gov't Code § 2261.253(a)(1), (b). The contract at issue is valued at more than \$15,000, is between the university, which is a state agency, and a private vendor for the purchase of goods or services, and the contract is not expired or completed. *See id.* §§ 2261.002(2) ("state agency" has meaning assigned by Gov't Code § 2151.002), 2151.002(3) ("state agency" includes university system or institution of higher education as defined by Educ. Code § 61.003). Although you seek to withhold the submitted information under section 552.104 of the Government Code, the exceptions to disclosure found in the Act do not generally apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Accordingly, the university may not withhold any portion of the submitted information under section 552.104 of the Government Code. Consequently, the university must release the submitted information in its entirety pursuant to section 2261.253 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
