Dear Ms. DeMeo:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 698211 (ORR# G004828).

The Georgetown Police Department (the "department") received a request for information related to case number 2017-330-002. The department states it has released some of the requested information. The department claims the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions the department claims and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. The department asserts, and we agree, the submitted video recordings contain confidential motor vehicle record information that is excepted from disclosure under section 552.130. In this instance, the department states it does not possess the technological capability to redact information from video files. Thus, we agree the department must withhold the entireties of the submitted video recordings under section 552.130 of the Government Code.<sup>1</sup> *See* Open Records Decision No. 364 (1983).

<sup>1</sup>As our ruling is dispositive, we need not address the remaining argument against disclosure of the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
