Ms. LeAnn M. Quinn  
City Secretary  
City of Cedar Park

Cedar Park, Texas 78613

OR2018-04549

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 697377 (Ref. No. 18-261)

The Cedar Park Police Department (the "department") received a request for a video recording pertaining to a specified motor vehicle accident.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. We note the submitted information consists of recordings from a department officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code provides:

---

<sup>1</sup>We note the department did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b). Nonetheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recordings at issue. We understand the submitted recordings were required to be made by law or the policies of the department and the recording relates to a law enforcement purpose. *See id.* § 1701.661(h). We also understand the recordings at issue are or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recordings document an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). The submitted recordings demonstrate they were not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining “private space” for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

*Id.* § 1701.661(f). You state the submitted information consists of body worn camera recordings involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You state you do not have permission for release from all of the subjects in the recordings at issue. *See id.* Accordingly, we find the department must withhold the submitted body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
