

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 2, 2019

Ms. Lola Dada-Olley
Assistant City Attorney
City of Plano
P.O. Box 860358
Plano, Texas 75086-0358

OR2019-00056

Dear Ms. Dada-Olley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 744398 (File No. ENG18-001).

The City of Plano (the "city") received a request for information pertaining to a specified set of red light cameras. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note some of the submitted information is not responsive to the present request because it was created after the date of the request. This ruling does not address the public availability of the non-responsive information, which we marked, and the city need not release it in response to this request.

Next, we note the submitted information contains information subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information includes a completed report that is subject to section 552.022(a)(1). The city must release the completed report pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or expressly made confidential under the Act or other law. Although you raise section 552.103 of the Government Code for this information, this section is a discretionary exception to disclosure and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, none of the information subject to section 552.022(a)(1) may be withheld under section 552.103. However, because section 552.130 of the Government Code makes information confidential for purposes of section 552.022, we will consider the applicability of this exception to the information subject to section 552.022.¹ Further, we will address your argument against disclosure of the remaining information.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

You state, and provide documentation showing, lawsuits styled *Neill v. City of Plano*, Cause No. 417-01339-2016, and *Neill v. City of Plano*, Cause No. 417-02665-2018, were pending against the city in the 417th Judicial District Court of Collin County, Texas, when it received the instant request for information. You state the submitted information is related to the pending lawsuits. Based on your representations, the submitted documentation, and our review of the remaining information, we find litigation was pending when the district received this request for information, and the remaining information is related to the pending litigation for the purposes of section 552.103. Thus, the city may withhold the remaining information not subject to section 552.022 of the Government Code under section 552.103(a) of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. See Gov't Code § 552.130. Accordingly, in releasing the information pursuant to section 552.022(a)(1) of the Government Code, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, with the exception of the information subject to section 552.022(a)(1) of the Government Code, the city may withhold the submitted information under section 552.103 of the Government Code. In releasing the information pursuant to section 552.022(a)(1) of the Government Code, the city must withhold the information we marked under section 552.130 of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

²We note the requestor has a right of access to some of the information being released. See Gov't Code § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Thus, the city must again seek a decision from this office if it receives another request for the same information from another requestor.
