Assistant City Attorney

Dear Ms. Davis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 744691 (ORR# W077676).

The Fort Worth Police Department (the "department") received a request for information related to a specified incident. You state you released some of the information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information includes recordings from a police officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code provides:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recordings at issue. We understand the submitted recordings were required to be made by law or the policies of the department and the recordings relate to a law enforcement purpose. *See id.* § 1701.661(h). We also understand the recordings at issue are or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recordings document an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). We note, however, section 1701.661(f) provides:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). In this instance, the department informs us the body worn camera recordings at issue involves an investigation of conduct that constitutes a misdemeanor punishable by fine only and did not result in arrest. Further, the department informs us it has not received written authorizations for release from all of the subjects of the recordings. Accordingly, the submitted body worn camera recordings are confidential and the department must withhold them under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
