Dear Ms. Marke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 744663.

The City of Georgetown (the "city") received a request for information pertaining to a certain address over a specified time period. You state the city released some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the submitted video recordings contain information subject to section 552.130. You state the city does not have the technological capability to redact the motor vehicle record information from the video recordings. Accordingly, the city must withhold the submitted video recordings in their entireties under section 552.130 of the Government Code.² *See* Open Records Decision No. 364 (1983).

¹Although you do not raise section 552.101 of the Government Code, we understand you to raise this section based on the substance of your argument.

²As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
