Texas Department of Public Safety  
P.O. Box 4087

Dear Ms. Freeland:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 752265 (Ref. No. 18-8660).

The Texas Department of Public Safety (the "department") received a request for the bid tabulation for a specified bid number. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). You represent the information pertains to a competitive bidding situation. In addition, you state release of the information at issue would harm the department's purchasing interests and weaken its bargaining position as it deliberates options and negotiates best value now and in the future because it would allow competing vendors to know the prices offered, which you contend "could artificially inflate prices and prevent the [department] from getting best value[.]". After review of the information at issue and consideration of the arguments, we find the department has established the release of the information at issue would give advantage to a competitor or bidder. Thus, we conclude the department may withhold the submitted information under section 552.104(a) of the Government Code.

Finally, you request that this office issue a "previous determination" that would permit the department in the future to withhold bid tabulations under section 552.104 of the Government Code without the need of requesting a ruling from us about whether such information can be withheld from disclosure. We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
