ATTORNEY GENERAL OF TEXAS

January 7, 2019

Mr. Mark Soto
Records Supervisor
Pflugerville Police Department
P.O. Box 679
Pflugerville, Texas 78691

OR2018-00360

Dear Mr. Soto:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 745089 (Ref. No. W007375-101518).

The Pflugerville Police Department (the "department") received a request for all information pertaining to a specified auto accident. You indicate you have released some information. You claim the remaining information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states Exhibit C pertains to an active criminal investigation or prosecution. Based on this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to Exhibit C.

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note basic information includes, among other items, a detailed description of the offense, but does not include motor vehicle record information encompassed by section 552.130 of the Government Code. See ORD 127 at 3-4. Thus, with the exception of the basic information, which must be released, the department may withhold Exhibit C under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. See Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information we marked in Exhibit B under section 552.130 of the Government Code.

In summary, with the exception of the basic information, which must be released, the department may withhold Exhibit C under section 552.108(a)(1) of the Government Code. The department must withhold the motor vehicle record information we marked in Exhibit B under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
