

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 7, 2019

Mr. James Kopp
Assistant City Attorney
City of San Antonio
315 South Santa Rosa, Sixth Floor
San Antonio, Texas 78207

OR2019-00365

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 752162 (COSA File No. W241436).

The City of San Antonio (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending criminal prosecution. We note the submitted information includes a DIC-24 Statutory Warning and a DIC-25 Notice of Suspension. Because copies of these forms were provided to the arrestee, we find the city has not demonstrated release of the DIC-24 and DIC-25 forms will interfere with the detection, investigation, or prosecution of crime. Accordingly, we conclude the DIC-24 and DIC-25 forms may not be withheld under section 552.108(a)(1). However, based on your representation and our review, we conclude

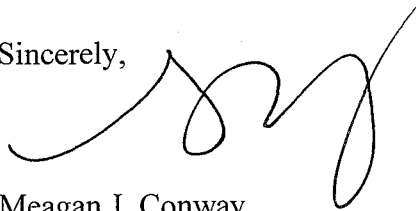

the release of the remaining information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Meagan J. Conway
Assistant Attorney General
Open Records Division

¹We note the requestor has a right of access to some of the information being released in this instance. *See* Gov't Code § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Thus, if the city receives another request for the same information from a different requestor, the city must again seek a decision from this office.
