

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 8, 2019

Ms. Andrea Slater Gulley
General Counsel
Amarillo Independent School District
7200 West Interstate 40
Amarillo, Texas 79106

OR2019-00454

Dear Ms. Gulley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 745174.

The Amarillo Independent School District (the "district") received a request for information related to a specified software license and service agreement. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of Oracle, Inc. ("Oracle"). Accordingly, you state, and provide documentation showing, you notified Oracle of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See Gov't Code* § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted representative sample of information.¹

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See Gov't Code*

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

§ 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Oracle explaining why the submitted information should not be released. Therefore, we have no basis to conclude Oracle has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the district may not withhold the submitted information on the basis of any proprietary interest Oracle may have in the information.

Section 552.136 of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”² Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). Upon review, the district must withhold the bank account and routing numbers under section 552.136 of the Government Code. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Kelly McWethy
Assistant Attorney General
Open Records Division

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).
