ATTORNEY GENERAL OF TEXAS

January 8, 2019

Mr. Zachary Brown
Assistant City Attorney
City of Austin
P.O. Box 1088
Austin, Texas 78767

OR2019-00485

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 745052 (ORR# C011851).

The City of Austin (the "city") received a request for specified communications between named employees. The city states it will release some of the requested information, but claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses section 773.091 of the Health and Safety Code, which provides, in relevant part, the following:

- (a) A communication between certified emergency medical services personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

Health & Safety Code § 773.091(a)-(b). The submitted information does not contain a communication between certified emergency medical services personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient. *See id.* § 773.091(a). It also does not contain a record of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that was created by the emergency medical services personnel or physician or maintained by an emergency medical services provider. *See id.* § 773.091(b). Accordingly, none of the information is confidential under section 773.091, and the city may not withhold it under section 552.101 of the Government Code on that ground. Therefore, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
