Mr. David T. Ritter
Counsel for the City of McKinney
Brown & Hofmeister, L.L.P.

OR2019-00871

Dear Mr. Ritter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 745631 (ORR G9639).

The City of McKinney (the "city"), which you represent, received a request for four specified bid proposals submitted in response to a specified request for proposals. You claim the submitted information is excepted from disclosure under section 552.110 of the Government Code. You also state release of the submitted information may implicate the proprietary interests of Marimon Business Systems, Inc. ("Marimon"). You state you notified Marimon of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the submitted arguments and reviewed the submitted information.

Initially, we note you have only submitted one bid proposal for our review. Thus, to the extent any additional responsive information existed when the present request was received, we assume it has been released. If such information has not been released, then it must be released at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Although the city argues the submitted information is excepted under section 552.110 of the Government Code, that exception is designed to protect the interests of third parties, not the interests of a governmental body. *See* Gov't Code § 552.110 (excepts from disclosure trade secret or commercial or financial information obtained from third party). Thus, we do not address the city's argument under section 552.110. We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Marimon explaining why its information should not be released. Therefore, we have no basis to conclude Marimon has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any of the information at issue on the basis of any proprietary interest Marimon may have in it.

We note some of the materials at issue may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

We note some of the remaining information is subject to section 552.136 of the Government Code.¹ Section 552.136 states that “[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” Gov't Code § 552.136. This office has concluded insurance policy numbers constitute access device numbers for purposes of section 552.136. Accordingly, we find the city must withhold the submitted insurance policy numbers under section 552.136 of the Government Code.

In summary, the city must withhold the submitted insurance policy numbers under section 552.136 of the Government Code. The remaining information must be released; however, any information subject to copyright may only be released in accordance with copyright law.

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
