ATTORNEY GENERAL OF TEXAS

Ms. Katheryne Ellison
Assistant General Counsel
Houston Independent School District
4400 West 18th Street
Houston, Texas 77092-8501

OR2019-01421

Dear Ms. Ellison:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 746180 (File Nos. HC102318 and HC102318B).

The Houston Independent School District (the "district") received two requests from the same requestor for all communications among ten named individuals during a defined time period. You state you will release some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.107, 552.111, and 552.116 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Section 552.107(1) of the Government Code protects information coming within the attorney-client privilege. When asserting the attorney-client privilege, a governmental body has the burden of providing the necessary facts to demonstrate the elements of the

¹Although you raise section 552.101 of the Government Code in conjunction with section 552.107 of the Government Code, this office has concluded section 552.101 does not encompass other exceptions found in the Act. *See* Open Records Decision Nos. 676 at 1-2 (2002), 575 at 2 (1990).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

privilege in order to withhold the information at issue. *See* Open Records Decision No. 676 at 6-7 (2002). First, a governmental body must demonstrate the information constitutes or documents a communication. *Id.* at 7. Second, the communication must have been made “to facilitate the rendition of professional legal services” to the client governmental body. TEX. R. EVID. 503(b)(1). The privilege does not apply when an attorney or representative is involved in some capacity other than that of providing or facilitating professional legal services to the client governmental body. *In re Tex. Farmers Ins. Exch.*, 990 S.W.2d 337, 340 (Tex. App.—Texarkana 1999, orig. proceeding) (attorney-client privilege does not apply if attorney acting in capacity other than that of attorney). Governmental attorneys often act in capacities other than that of professional legal counsel, such as administrators, investigators, or managers. Thus, the mere fact that a communication involves an attorney for the government does not demonstrate this element. Third, the privilege applies only to communications between or among clients, client representatives, lawyers, and lawyer representatives. TEX. R. EVID. 503(b)(1)(A), (B), (C), (D), (E). Thus, a governmental body must inform this office of the identities and capacities of the individuals to whom each communication at issue has been made. Lastly, the attorney-client privilege applies only to a confidential communication, *id.* 503(b)(1), meaning it was “not intended to be disclosed to third persons other than those: (A) to whom disclosure is made to further the rendition of professional legal services to the client; or (B) reasonably necessary to transmit the communication.” *Id.* 503(a)(5). Whether a communication meets this definition depends on the *intent* of the parties involved at the time the information was communicated. *See Osborne v. Johnson*, 954 S.W.2d 180, 184 (Tex. App.—Waco 1997, orig. proceeding). Moreover, because the client may elect to waive the privilege at any time, a governmental body must explain the confidentiality of a communication has been maintained. Section 552.107(1) generally excepts an entire communication that is demonstrated to be protected by the attorney-client privilege unless otherwise waived by the governmental body. *See Huie v. DeShazo*, 922 S.W.2d 920, 923 (Tex. 1996) (privilege extends to entire communication, including facts contained therein).

You state Exhibit 2 consists of communications between district attorneys, district employees, and outside counsel for the district that were made for the purpose of providing legal services to the district. You state the communications were intended to be confidential and have remained confidential. Based on your representations and our review, we find Exhibit 2 consists of privileged attorney-client communications. Therefore, the district may withhold Exhibit 2 under section 552.107(1) of the Government Code.

Section 552.116 of the Government Code provides the following:

- (a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history

background check of a public school employee, is excepted from the requirements of Section 552.021. If information in an audit working paper is also maintained in another record, that other record is not excepted from the requirements of Section 552.021 by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. The district asserts Exhibits 4 and 5 consist of audit working papers. The district states the audit was conducted by the district's internal audit office, as authorized by specified district board of trustees policies, which it has submitted for our review. Based on the district's representations and our review, we agree the information at issue constitutes audit working papers. Therefore, the district may withhold Exhibits 4 and 5 under section 552.116 of the Government Code.³

In summary, the district may withhold Exhibit 2 under section 552.107(1) of the Government Code. The district may withhold Exhibits 4 and 5 under section 552.116 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

³As our ruling is dispositive, we need not address your remaining argument against disclosure.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
