Mr. W. Montgomery Meitler  
Senior Counsel  
Texas Education Agency  
1701 North Congress Avenue  
Austin, Texas 78701-1494

OR2019-01424

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 746414 (TEA PIR# 35694).

The Texas Education Agency (the "agency") received a request for information pertaining to communications, investigations and complaints regarding a named individual. You state you will release some information. You state the agency has redacted information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.<sup>1</sup> Further, you state the agency has redacted certain motor vehicle record information under section 552.130(c) of the Government Code, certain social security

<sup>1</sup>The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that FERPA does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined that FERPA determinations must be made by the educational authority in possession of the education records. We have posted a copy of the letter from the DOE to this office on the Attorney General's website: <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>

numbers under section 552.147(b) of the Government Code, and dates of birth pursuant to Open Records Letter No. 2016-04398 (2016).<sup>2</sup> You claim the submitted information is excepted from disclosure under section 552.101 and 552.103 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>3</sup>

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses chapter 411 of the Government Code, which pertains to criminal history record information (“CHRI”). Chapter 411 authorizes the Texas Department of Public Safety (“DPS”) to compile and maintain CHRI from law enforcement agencies throughout the state and to provide access to authorized persons to federal criminal history records. *See id.* §§ 411.042, .087. Section 411.0845 of the Government Code provides in relevant part:

(a) The [DPS] shall establish an electronic clearinghouse and subscription service to provide [CHRI] to a particular person entitled to receive [CHRI] and updates to a particular record to which the person has subscribed under this subchapter.

(b) On receiving a request for [CHRI] from a person entitled to such information under this subchapter, the [DPS] shall provide through the electronic clearinghouse:

(1) the [CHRI] reported to the [DPS] or the Federal Bureau of Investigation relating to the individual who is the subject of the request; or

<sup>2</sup>Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See Gov’t Code* § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person’s social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b). Open Records Letter No. 2016-04398 is a previous determination issued to the agency authorizing it to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without seeking a ruling from this office. *See* Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301 (a) of the Government Code).

<sup>3</sup>We assume that the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(2) a statement that the individual who is the subject of the request does not have any [CHRI] reported to the [DPS] or the Federal Bureau of Investigation.

...

(d) The [DPS] shall ensure that the information described by Subsection (b) is provided only to a person otherwise entitled to obtain [CHRI] under this subchapter. Information collected under this section is confidential and is not subject to disclosure under [the Act].

*Id.* § 411.0845(a)-(b), (d). Pursuant to section 411.0901 of the Government Code, the agency is authorized to obtain this CHRI from DPS. *See id.* § 411.0901; *see also* Educ. Code § 22.0831 (agency shall review CHRI of certified educators). You state the information you have indicated consists of CHRI that was obtained through the DPS criminal history clearinghouse pursuant to section 411.0901. You also state the circumstances under which the release of this information is permitted under section 411.0901(b)(2) do not exist in this instance. *See* Gov't Code § 411.0901(b)(2). Based on your representations and our review, we agree the information you marked is confidential under section 411.0845 of the Government Code and the agency must withhold it under section 552.101 of the Government Code.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

*Id.* § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal*

*Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551.

You inform us the remaining information relates to an open investigation of allegations an educator engaged in inappropriate conduct. You state the alleged misconduct may require the agency to file a petition for sanctions against the educator pursuant to provisions of the Education Code and title 19 of the Texas Administrative Code. *See* Educ. Code §§ 21.031(a) (agency shall regulate and oversee standards of conduct of public school educators), .041(b) (agency shall propose rules providing for disciplinary proceedings); 19 T.A.C. §§ 247.2, 249.15(c). You explain if the educator files an answer to the petition, the matter will be referred to the State Office of Administrative Hearings for a contested case proceeding. *See* 19 T.A.C. § 249.18. You state such proceedings are governed by the Administrative Procedure Act (the “APA”), chapter 2001 of the Government Code. *See* Educ. Code § 21.041(b)(7); 19 T.A.C. § 249.4(a)(1); Open Records Decision No. 588 (1991) (contested case under APA constitutes litigation for purposes of statutory predecessor to Gov’t Code § 552.103). Based on your representations and our review, we determine the agency reasonably anticipated litigation when it received the request for information. Furthermore, you explain the remaining information was compiled for the purpose of investigating the alleged educator misconduct. Upon review, we agree the remaining information relates to the anticipated litigation. We, therefore, conclude the agency may withhold the remaining information under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) of the Government Code interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to all parties to the anticipated litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

In summary, the agency must withhold the information you marked under section 552.101 of the Government Code in conjunction with section 411.0845 of the Government Code. The agency may withhold the remaining information under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
