

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 22, 2019

Ms. Nicole Warren
Deputy City Attorney
City of Temple
2 North Main Street, Suite 308
Temple, Texas 76501

OR2019-01752

Dear Ms. Warren:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 747050.

The City of Temple (the "city") received a request for ten categories of information pertaining to a specified accident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted video recordings pertaining to the specified accident. To the extent any information responsive to the remaining portions of the request existed on the date the city received the request, we assume the city has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon our review of the submitted information, we determine the requestor provided the requisite information required by section 1701.661(a) of the Occupations Code. The submitted recordings reflect they were required to be made by law or the policies of the city's police department and relate to a law enforcement purpose. *See id.* § 1701.661(h). We understand the recordings are or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d) (stating information "that is or could be used as evidence in a criminal prosecution is subject to the requirements of [the Act.]"). Additionally, we have no indication the recordings document an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). The submitted recordings demonstrate they were not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining "private space" for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the submitted video recordings consist of body worn camera recordings involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and that did not result in an arrest. You do not indicate you have permission for release from all of the subjects of the recordings at issue. *See id.* Accordingly, we find the city must withhold the submitted body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. However, the remaining information consists of dashboard camera recordings from city police department vehicles. We find this information does not consist of body worn camera recordings. Therefore, the remaining information is not subject to section 1701.661 of the Occupations Code, and the city may not withhold any of the remaining recordings under section 552.101 of the Government Code on that basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ See Gov't Code § 552.130. Accordingly, the city must withhold all audible and visible license plates in the remaining recordings under section 552.130 of the Government Code.

In summary, the city must withhold the submitted body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. The city must withhold all audible and visible license plates in the remaining recordings under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
