

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 22, 2019

Mr. William Christian
Counsel for the Del Mar College District
Graves, Dougherty, Hearon & Moody, P.C.
P.O. Box 98
Austin, Texas 78767

OR2019-01861

Dear Mr. Christian:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 747209.

The Del Mar College District (the "district"), which you represent, received multiple requests from the same requestor for information pertaining to the voluntary early retirement incentive program during specified periods of time. You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022 provides, in relevant part, the following:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(18) a settlement agreement to which a governmental body is a party.

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.022(a)(18). The responsive information includes a settlement agreement with the district that is subject to subsection 552.022(a)(18). Although you raise section 552.103 of the Government Code for the information subject to 552.022, this section is a discretionary exception to disclosure and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, none of the information subject to section 552.022 may be withheld under section 552.103. However, we will consider your argument under section 552.103 of the Government Code for the information not subject to section 552.022 of the Government Code.

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body claiming section 552.103 has the burden of providing relevant facts and documents sufficient to establish the applicability of section 552.103 to the information it seeks to withhold. To meet this burden, the governmental body must demonstrate: (1) litigation was pending or reasonably anticipated on the date of its receipt of the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.). Both elements of the test must be met in order for information to be excepted from disclosure under section 552.103. *See Open Records Decision No. 551 at 4 (1990).*

You state, and provide documentation showing, prior to the district's receipt of the instant requests, a lawsuit styled *Olson, v. Del Mar Coll.*, Cause No. 13-18-00159-CV, was filed and is currently pending appeal in the 13th Court of Appeals. Therefore, we agree litigation was pending on the date the district received the present requests for information. You also state the information at issue pertains to the substance of the lawsuit claims. Based on your

representations and our review, we find the information at issue is related to the pending litigation. Therefore, we conclude the district may withhold the remaining information under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to all parties to the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

In summary, the district must release the information we marked pursuant to section 552.022 of the Government Code. The district may withhold the remaining information under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
