

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 23, 2019

Ms. Elissa Marek
Assistant City Attorney
City of Georgetown
P.O. Box 409
Georgetown, Texas 78627-0409

OR2019-01953

Dear Ms. Marek:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 754083 (PIR No. G006833-121818).

The City of Georgetown (the "city") received a request for information pertaining to a specified motor vehicle accident. The city states it has released some information. The city claims the submitted body worn camera recording was not properly requested pursuant to section 1701.661 of the Occupations Code. The city also claims the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered your arguments and reviewed the submitted information.

The submitted information includes a city police officer's body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

- (a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. Upon review, we find the remaining video recordings contain motor vehicle record information. The city states it lacks the technological capability to redact the confidential information in the video recordings. Accordingly, the city must withhold the remaining video recordings in their entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and the city need not release it in response to this request for information. The city must withhold the remaining video recordings in their entirety under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

¹As we are able to make this determination, we need not address your argument against the disclosure of this information.
