

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 29, 2019

Ms. Clarissa Orona
Office Assistant II
City of Dallas
1500 Marilla Street, 3FN
Dallas, Texas 75201

OR2019-02653

Dear Ms. Orona:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 748009 (ORR-C010062-110218).

The City of Dallas (the "city") received a request for any contracts or agreements relating to the purchase of a specified software and any performance reports pertaining to the software. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of Bonfire Interactive, Ltd. ("Bonfire"). Accordingly, you state, and provide documentation showing, you notified Bonfire of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Bonfire explaining why the submitted information should not be released. Therefore, we have no basis to conclude Bonfire has a protected proprietary

interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any portion of the submitted information on the basis of any proprietary interest Bonfire may have in the information. As you raise no exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Ashley Crutchfield
