

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 30, 2019

Ms. Clarissa Orona
Office Assistant II
City of Dallas
1500 Marilla Street, 3FN
Dallas, Texas 75201

OR2019-02730

Dear Ms. Orona:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 748254 (Ref. No. C010176-110718).

The City of Dallas (the "city") received a request for a specified contract. Although the city takes no position as to whether the submitted information is excepted from disclosure under the Act, you state release of the submitted information may implicate the proprietary interests of Parking Concepts, Inc. ("PCI"). Accordingly, you state, and provide documentation showing, you notified PCI of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (determining statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from PCI explaining why the submitted information should not be released. Therefore, we have no basis to conclude PCI has a protected proprietary interest

in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest PCI may have in the information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ *See* Gov't Code § 552.130. Accordingly, the city must withhold the license plate numbers in the submitted information under section 552.130 of the Government Code.

Section 552.136 of the Government Code states “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined an insurance policy number is an access device for purposes of this exception. Thus, the city must withhold the bank account, credit card, and insurance policy numbers in the remaining information under section 552.136 of the Government Code.

We note some of the remaining information may be subject to copyright law. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the city must withhold the license plate numbers in the submitted information under section 552.130 of the Government Code. The city must withhold the bank account, credit card, and insurance policy numbers in the remaining information under section 552.136 of the Government Code. The city must release the remaining information; however, any information protected by copyright may only be released in accordance with copyright law.

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
