Mr. Durime Elmazi Fahim  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966

OR2019-02905

Dear Mr. Fahim:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 749641 (COSA File No. W239043-110818).

The City of San Antonio (the "city") received a request for a specified health inspection report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 81.046 of the Health and Safety Code, which provides in relevant part:

- (a) Reports, records, and information received from any source, including from a federal agency or from another state, furnished to a public health district, a health authority, a local health department, or the [Texas Department of Health] that relate to cases or suspected cases of diseases or health conditions are confidential and may be used only for the purposes of this chapter.
- (b) Reports, records, and information relating to cases or suspected cases of diseases or health conditions are not public information under Chapter 552,

Government Code, and may not be released or made public on subpoena or otherwise except as provided by Subsection (c), (c-1), (d), and (f).

Health & Safety Code § 81.046(a)-(b). In Open Records Decision No. 577 (1990), this office concluded that any information acquired or created during an investigation under chapter 81 of the Health and Safety Code is confidential and may not be released unless an exception set out in the statute applies. *See* ORD 577; Health & Safety Code § 81.046(b)-(d), (f). You state the submitted information was created by the city's Health Department during an investigation of food-borne illness under chapter 81 of the Health and Safety Code. Based on your representations and our review, we agree the submitted information is subject to section 81.046. You state none of the release provisions of section 81.046 are applicable to the information at issue. Thus, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 81.046 of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
