Dear Ms. Tripp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 748463 (Internal File No. C010073-110318).

The City of Dallas (the "city") received a request for all records pertaining to the twenty-six accountability actions referenced in a specified report. You state the city will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.116 of the Government Code provides,

- (a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074,

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You assert the submitted information consists of audit working papers pertaining to an audit conducted by the City Auditor's Office (the "auditor's office") concerning a complaint received by the city in accordance with its policy on fraud, waste, and abuse. You state, and provide documentation demonstrating, the audit at issue was authorized by City Council Resolution Number 98-0751, section 3 of chapter IX of the city's charter, and the Annual Audit Plan of the auditor's office. Based on your representations and our review, we agree the submitted information constitutes audit working papers. Therefore, the city may withhold the submitted information under section 552.116 of the Government Code.
