Ms. Sherri Russell  
Office of the City Attorney  
City of Lake Jackson

OR2019-02954

Dear Ms. Russell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 748527.

The Lake Jackson Police Department (the "department") received a request for certain information pertaining to specified traffic citations. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the requestor only seeks the defendant's address, including city, state, and zip code. Accordingly, the remaining submitted information is not responsive to the instant request. The department need not release non-responsive information in response to this request, and this ruling will not address that information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by the federal Driver's Privacy Protection Act of 1994 (the "DPPA"), section 2721 of title 18 of the United States Code. Section 2721 provides, in part:

---

<sup>1</sup>As we are able to make this determination, we need not address your argument against disclosure of this information.

(a) In general.—A State department of motor vehicles, and any officer, employee, or contractor thereof, shall not knowingly disclose or otherwise make available to any person or entity:

(1) personal information, as defined in 18 U.S.C. 2725(3), about any individual obtained by the department in connection with a motor vehicle record, except as provided in subsection (b) of this section[.]

...

(b) Permissible uses.—Personal information referred to in subsection (a) . . . may be disclosed as follows:

(1) For use by any government agency . . . in carrying out its functions[.]

...

(c) Resale or redisclosure.—An authorized recipient of personal information (except a recipient under subsection (b)(11) or (12)) may resell or redisclose the information only for a use permitted under subsection (b) (but not for uses under subsection (b)(11) or (12)). . . . Any authorized recipient (except a recipient under subsection (b)(11)) that resells or rediscloses personal information covered by this chapter must keep for a period of 5 years records identifying each person or entity that receives information and the permitted purpose for which the information will be used and must make such records available to the motor vehicle department upon request.

18 U.S.C. § 2721(a)(1), (b)(1), (c). The DPPA defines “motor vehicle record,” in relevant part, as “any record that pertains to a motor vehicle operator’s permit . . . issued by a department of motor vehicles[.]” *Id.* § 2725(1). Section 2725 also defines personal information as “information that identifies an individual, including an individual’s photograph, social security number, driver identification number, name, address (but not the 5-digit zip code), telephone number, and medical or disability information, but does not include information on vehicular accidents, driving violations, and driver’s status.” *See id.* § 2725(3).

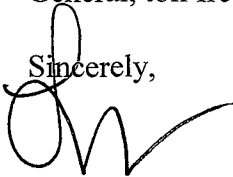

The department asserts the responsive information contains personal information obtained from the Texas Department of Public Safety (“DPS”) that is protected under the DPPA. We note this office has concluded that the DPPA applies to information in the possession of DPS. Attorney General Opinion JC-0499 at 1 (2002). The department explains its department officers obtained the personal information for use in carrying out its functions with regard to law enforcement. Based upon the department’s representations and our review, we find the department in obtaining personal information from DPS to assist the department in carrying out its law enforcement functions, is an authorized recipient of

personal information for purposes of section 2721(c). *See* 18 U.S.C. § 2721(b)(1) (providing that personal information may be disclosed by a state department of motor vehicles to any entity acting on behalf of a Federal, State, or local agency in carrying out its functions). Therefore, we conclude the information the department seeks to withhold is personal information obtained from DPS by an authorized recipient and is confidential under section 2721 of title 18 of the United States Code. Accordingly, as we have no indication that release of this information would be for a use permitted under section 2721(b), we conclude the department must withhold the defendants' home addresses, including the city and state, but not the zip code, under section 552.101 of the Government Code in conjunction with section 2721(a) of title 18 of the United States Code.<sup>2</sup> *See* 18 U.S.C. § 2721(a)(1). The department must release the remaining information, which it states it has released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
