Ms. Alexandra Golden
Assistant District Attorney
Brazoria County
111 East Locust, Suite 408A
Angleton, Texas 77515-4676

OR2019-03621

Dear Ms. Golden:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 749339 (Ref. No. 18-1555).

Brazoria County (the "county") received a request for all reports regarding a named individual and information pertaining to a specified incident. You state the county will redact motor vehicle record information pursuant to section 552.130(c) and social security numbers pursuant to section 552.147(b).¹ You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by statute, such

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b).

as the Medical Practice Act (“MPA”), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

(a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient’s behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). Section 159.001 of the MPA defines “patient” as a person who consults with or is seen by a physician to receive medical care. Occ. Code § 159.001(3). Under this definition, a deceased person cannot be a patient under section 159.002 of the MPA. *See* ORDs 487, 370, 343. Thus, the MPA is applicable only to records related to a person who was alive at the time of diagnosis, evaluation, or treatment to which the records pertain. Upon review, we find no portion of the information at issue constitutes medical records subject to section 159.002. Accordingly, the county may not withhold any of the submitted information under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses information made confidential by section 773.091 of the Health and Safety Code, which provides, in part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services [(“EMS”)] personnel or by a physician providing medical supervision that are created by the [EMS] personnel or physician or maintained by an [EMS] provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). We understand you to assert some of the submitted information consists of records made and maintained by EMS personnel. Upon review, we find you have failed to demonstrate the information at issue consists of records of the identity, evaluation, or treatment of a patient by EMS personnel or by a physician providing medical supervision that are created by the EMS personnel or physician or maintained by an EMS provider. Accordingly, the county may not withhold any portion of the submitted information under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). We note the right to privacy is a personal right that lapses at death and the common-law right to privacy does not encompass information that relates only to a deceased individual. *Moore v. Charles B. Pierce Film Enters., Inc.*, 589 S.W.2d 489, 491 (Tex. Civ. App.—Texarkana 1979, writ ref'd n.r.e.); *see also Justice v. Belo Broad. Corp.*, 472 F. Supp. 145, 147 (N.D. Tex. 1979) (“action for invasion of privacy can be maintained only by a living individual whose privacy is invaded” (quoting RESTATEMENT (SECOND) OF TORTS § 6521 (1977))); Attorney General Opinions JM-229 (1984) (“the right of privacy lapses upon death”), H-917 (1976) (“We are ... of the opinion that the Texas courts would follow the almost uniform rule of other jurisdictions that the right of privacy lapses upon death.”); Open Records Decision No. 272 (1981) (“the right of privacy is personal and lapses upon death”). Thus, information pertaining to a deceased individual may not be withheld on common-law privacy grounds. Accordingly, the county must withhold all living public citizens' dates of birth in the submitted information under section 552.101 of the Government Code in conjunction with common-law privacy. The county must release the remaining information.
