ATTORNEY GENERAL OF TEXAS

February 13, 2019

Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
315 South Santa Rosa, 6th Floor  
San Antonio, Texas 78207

OR2019-04264

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 754859 (COSA File No. W243923).

The City of San Antonio (the "city") received a request for certain medical records pertaining to a specified case number. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information that is subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has determined the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982).* Upon review, we find the submitted information constitutes a record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that was created or is maintained by a physician or someone under the supervision of a physician. Accordingly, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with the MPA.<sup>1</sup>
