

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 14, 2019

Ms. Kathleen M. Kennedy
Chief Civil Attorney
Jefferson County District Attorney
1085 Pearl Street, 3rd Floor
Beaumont, Texas 77701

OR2019-04368

Dear Ms. Kennedy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 750459.

The Jefferson County Sheriff's Office (the "sheriff's office") received a request for charges, complaints, grievances, disciplinary proceedings, or other information which may affect the credibility of a named detective. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains a peace officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or
 - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand an officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database and may be used as an access device number on the TCOLE website. Accordingly, we find the officer's TCOLE identification number in the submitted information does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.

Next, we note the remaining information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The remaining information consists of completed investigations that are subject to subsection 552.022(a)(1). The sheriff's office must release the remaining information pursuant to subsection 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or expressly made confidential under the Act or other law. Although you raise section 552.103 of the Government Code for the remaining information, this section is a discretionary exception to disclosure and does not make information confidential under the Act. See *Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, none of the information subject to subsection 552.022(a)(1) may be withheld under section 552.103. However, because sections 552.101, 552.102, and 552.130 of the Government Code can make information confidential for purposes of section 552.022, we will consider the applicability of these exceptions to the information subject to section 552.022.¹

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Section 552.102(a) of the Government Code excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” Gov’t Code § 552.102(a). The Texas Supreme Court held section 552.102(a) excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). Thus, the sheriff’s office must withhold the marked public employee’s date of birth under section 552.102(a) of the Government Code.

Section 552.101 of the Government Code excepts “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. See Open Records Decision No. 455 (1987). The court of appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. See *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Upon review, we find some of the remaining information satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the sheriff’s office must withhold the information we marked and all public citizens’ dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. See Gov’t Code § 552.130. Accordingly, the sheriff’s office must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the TCOLE identification number in the submitted information is not subject to the Act and need not be released to the requestor. The sheriff’s office must withhold (1) the marked public employee’s date of birth under section 552.102(a) of the Government Code; (2) the information we marked and all public citizens’ dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy; and (3) the motor vehicle record information we marked under section 552.130 of the Government Code. The sheriff’s office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
