

KEN PAXTON  
ATTORNEY GENERAL OF TEXAS

February 15, 2019

Mr. Mark Kratovil  
Assistant District Attorney  
Tarrant County  
401 West Belknap  
Fort Worth, Texas 76196

OR2019-04432

Dear Mr. Kratovil:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 757158.

The Tarrant County Criminal District Attorney's Office (the "district attorney's office") received a request for information pertaining to a specified case, including DNA results. You state the district attorney's office will release some information upon payment of a cost estimate. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 411.153(a) of the Government Code, which provides "[a] DNA record stored in the DNA database is confidential and is not subject to disclosure under the [Act]." *Id.* § 411.153(a). A "DNA record" means the results of a forensic DNA analysis performed by a DNA laboratory. *See id.* § 411.141(6)-(7). "Forensic analysis" is defined as "a medical, chemical, toxicologic, ballistic, or other expert examination or test performed on physical evidence, including DNA evidence, for the purpose of determining the connection of the evidence to a criminal action." Crim. Proc. Code art. 38.35(4); *see also* Gov't Code § 411.141(10) ("forensic analysis" has meaning assigned by article 38.35). A "DNA database" means "one or more databases that contain

forensic DNA records maintained by the director of [the Department of Public Safety (“DPS”)].” Gov’t Code § 411.141(5); *see id.* § 411.001(3).

The director of DPS is required to establish certain procedures for DNA laboratories. *See id.* §§ 411.142(h) (requiring director establish standards for DNA analysis), .144(a). Section 411.144 of the Government Code provides a DNA laboratory conducting a forensic DNA analysis under subchapter G of chapter 411 must comply with subchapter G and the rules adopted under subchapter G. *See id.* § 411.144(d); 37 T.A.C. §§ 28.91, .92 (describing minimum standards by which forensic DNA laboratory must abide); *see also* Gov’t Code § 411.147(b).

Upon review, we find the submitted information consists of records relating to DNA analyses of samples collected under subchapter G of chapter 411 of the Government Code. We further note this information is the result of forensic DNA analyses performed by a DNA laboratory in accordance with DPS regulations. Therefore, the district attorney’s office must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 411.153(a) of the Government Code. *See City of Fort Worth v. Abbott*, 258 S.W.3d 320, 328 (Tex. App.—Austin 2008, no pet.) (section 411.153 prohibits release of DNA records held by city forensic science laboratory regardless of whether records have been forwarded to DPS state DNA database).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Britni Ramirez  
Assistant Attorney General  
Open Records Division
