

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 19, 2019

Mr. Brian Sears
Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2019-04607

Dear Mr. Sears:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 757727 (PIR# 19-0095).

The Texas Department of Public Safety (the "department") received a request for specified reports related to a specified program. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

We note the requested information was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2019-02418 (2019). In that ruling, we determined the department may withhold the information at issue under section 552.108(b)(1) of the Government Code. We have no indication there has been any change in the law, facts, or circumstances on which the previous ruling was based. Accordingly, we conclude the department may rely on Open Records Letter No. 2019-02418 as a previous determination and withhold the requested information in accordance with that ruling. *See*

¹We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure). As we are able to make this determination, we need not address your arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Tim Neal
