

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 20, 2019

Ms. Kia Weathersby
Deputy City Clerk
City of Wichita Falls
P.O. Box 1431
Wichita Falls, Texas 76307

OR2019-04786

Dear Ms. Weathersby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 751144 (ORR# 1067).

The City of Wichita Falls (the "city") received a request for all criminal reports involving a named individual, including information related to a specified incident. The city claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

The submitted information involves an alleged violation of section 32.51 of the Penal Code, which provides, "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). For purposes of section 32.51, "identifying information" includes an individual's name and financial institution account number. *Id.* § 32.51(a)(1)(A), (C). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005, and provides:

(a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

- (1) the name of the victim;
- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005, if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted information pertains to a report of fraudulent use of identifying information, which constitutes an alleged violation of section 32.51. We note the requestor is the victim of the alleged identity theft listed in the report, and the alleged offense occurred after September 1, 2005. Therefore, the submitted report is subject to article 2.29 of the Code of Criminal Procedure. *See* Crim. Proc. Code art. 2.29. Although the city seeks to withhold the report under section 552.108 of the Government Code, this exception does not make information confidential. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, the submitted report may not be withheld from this requestor under section 552.108 of the Government Code. However, portions of the submitted information are confidential pursuant to sections 552.101 and 552.136 of the Government Code.¹ Because these exceptions are confidentiality provisions, we will address their applicability to the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus.*

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Found. v. Tex. Indus. Accident Bd., 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, with the exception of the requestor's date of birth, to which the requestor has a right of access pursuant to section 552.023 of the Government Code, the city must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. *See* Gov't Code § 552.023(a) ("person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself).

Section 552.136 of the Government Code provides, "Notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. Accordingly, the city must withhold the insurance policy number we marked under section 552.136 of the Government Code.

We note some of the materials at issue may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, with the exception of the requestor's date of birth, the city must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the insurance policy number we marked under section 552.136 of the Government Code. The city must release the remaining information to this requestor; however, any information that is subject to copyright may be released only in accordance with copyright law.²

²Because the requestor has a right of access to some or all of the submitted information, if the city receives another request for this information from a different requestor, the city must again seek a ruling from this office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
