Mr. Albert DiMarco
Assistant General Counsel
Texas Department of Public Safety
P. O. Box 4087
Austin, Texas 78773-0001

OR2019-04788

Dear Mr. DiMarco:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 757832 (ORR# 19-0522).

The Texas Department of Public Safety (the "department") received a request for information related to a specified arrest of a named individual. The department states it is releasing some of the requested information. The department claims some of the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states the submitted information relates to a pending criminal investigation or prosecution. Based on this representation, we conclude release of the information the department marked will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the department may withhold the information it marked under section 552.108(a)(1) of the Government Code.

We note some of the remaining information is subject to section 552.130 of the Government Code.¹ Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the department may withhold the information it marked under section 552.108(a)(1) of the Government Code. The department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The department must release the remaining information to this requestor.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Claire V. Morris Sloan
Assistant Attorney General
Open Records Division

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

²We note the requestor has a right of access to some of the information being released. *See* Gov't Code § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Thus, if the department receives another request for the same information from a different requestor, the department must again seek a decision from this office.
