Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 752157 (ORR# W241470).

The San Antonio Police Department (the "department") received a request for information pertaining to a specified accident. The department claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Sections 772.118, 772.218, and 772.318 of the Health and Safety Code apply only to an emergency 9-1-1 district established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). These statutes make confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a service supplier. *Id.* at 2. Section 772.218 applies to an emergency communication district for a county with a population of more than 1.5 million. *See* Health and Safety Code § 772.204. The department represents the emergency communication district here is subject to section 772.218. Therefore, the department must withhold the originating telephone number of a 9-1-1 caller it has marked under section 552.101 of the Government Code in conjunction

with section 772.218 of the Health and Safety Code if it was furnished by a 9-1-1 service provider.

Section 552.101 of the Government Code also encompasses section 730.004 of the Transportation Code, which provides “an agency may not disclose personal information about any person obtained by the agency in connection with a motor vehicle record.” Transp. Code § 730.004. “Personal information” means “information that identifies a person,” and includes a person’s photograph, social security number, driver identification number, name, and address, but does not include a zip code, telephone number, or medical and disability information. *Id.* § 730.003(6). The Department of Public Safety (“DPS”) is an “agency” for purposes of chapter 730. *See id.* § 730.003(1) (“agency” is state agency that compiles or maintains motor vehicle records). The department states some of the remaining information contains personal information that it obtained from DPS. *See id.* § 730.007(a)(2)(A)(i) (personal information may be disclosed to government agency in carrying out its functions). An authorized recipient of personal information may not re-disclose the personal information and to do so is a misdemeanor offense. *Id.* § 730.013(a), (d). The department must withhold the personal information we have marked under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code. However, the remaining information is not confidential under section 730.004 or 730.013, and the department may not withhold it under section 552.101 on either of those grounds.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ *See Gov’t Code* § 552.130. The department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the department must withhold the following: (1) the information it has marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code if it was furnished by a 9-1-1 service provider; (2) the information we have marked under section 552.101 of the Government Code in conjunction with sections 730.004 and 730.013 of the Transportation Code; and (3) the information we have marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. *See Open Records Decision* Nos. 481 at 2 (1987), 480 at 5 (1987).
