Dear Ms. Onyon:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 753651 (ORR# 1539-2018).

The City of Mansfield (the "city") received a request for information related to a specified incident. You state the city has released most of the information. You claim the submitted information is excepted from disclosure under section 552.147 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.147 of the Government Code excepts from disclosure the social security number of a living person. Gov't Code § 552.147. We note the submitted information consists of a single body worn camera video recording. Upon review, we find the video recording contains a social security number subject to section 552.147. You state the city does not have the technological capability to redact the social security number from the recording. Accordingly, the city may withhold the video recording in its entirety under section 552.147. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
