

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 25, 2019

Mr. Jonathan T. Koury
Assistant City Attorney
City of Bryan
P.O. Box 1000
Bryan, Texas 77805

OR2019-05250

Dear Mr. Koury:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 758629.

The City of Bryan the ("city") received a request for information pertaining to a specified incident. You state the city will release some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information consists of video recordings from city police officers' body worn cameras. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor provided the requisite information under section 1701.661(a) for some of the body worn camera recordings at issue. As these body worn camera recordings were properly requested pursuant to chapter 1701 of the Occupations Code, we will address your argument against their disclosure. However, the requestor did not give the requisite information under section 1701.661(a) for the remaining body worn camera recording at issue. As the requestor did not properly request the remaining body worn camera recording, which we indicated, pursuant to chapter 1701, our ruling does not reach this information, and it need not be released to the requestor.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

You state the recordings at issue were required to be made by law or the policies of the city and the recordings relate to a law enforcement purpose. *See id.* § 1701.661(h). Further, we understand the recordings are or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recordings document an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). The submitted recordings demonstrate they were not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining “private space” for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

Id. § 1701.661(f). You state the video recordings at issue pertain to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You state the city has not received written authorizations for release from all subjects of the recordings. *See id.* Accordingly, we find the city must withhold the remaining video recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

In summary, as the requestor did not properly request the body worn camera recording we indicated pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must withhold the remaining video recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

¹As we are able to make this determination, we need not address your argument against disclosure of this information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
