

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 26, 2019

Ms. Linda Pemberton
Paralegal
City of Killeen
P.O. Box 1329
Killeen, Texas 76540-1329

OR2019-05338

Dear Ms. Pemberton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 752002 (ORR# W027378).

The City of Killeen (the "city") received two requests from the same requestor for any and all medical and billing records pertaining to a named individual during a stated time period. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code, which provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). We note the submitted information contains a completed report subject to section 552.022(a)(1). This information must be released unless it is excepted from disclosure under section 552.108 of the Government Code, or is made confidential under the Act or other law. *See id.* Although you assert the information subject to section 552.022(a)(1) is excepted from disclosure under section 552.103 of the Government Code, this section is discretionary and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision No. 542 at 4 (1990) (statutory predecessor to section 552.103 may be waived); *see also* Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). Therefore, none of the information subject to section 552.022(a)(1) may be withheld under section 552.103 of the Government Code. However, as section 552.101 of the Government Code of the Government Code makes information confidential under the Act, we will consider the applicability of this section to the information subject to section 552.022(a)(1).¹ We will also consider your argument under section 552.103 for the information not subject to section 552.022(a)(1) of the Government Code.

Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses information made confidential by section 773.091 of the Health and Safety Code, which provides, in part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Except for the information specified in section 773.091(g), emergency medical services (“EMS”) records are deemed confidential under section 773.091 and may only be released in accordance with chapter 773 of the Health and Safety Code. *See id.* §§ 773.091-.094. Upon review, we find the information we marked

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

constitutes records of the identity, evaluation, or treatment of a patient by EMS personnel. Accordingly, with the exception of information subject to section 773.091(g), which is not confidential, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.

Section 552.103 of the Government Code provides, in part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). See ORD 551.

You argue the remaining information is related to pending litigation against the city. You state, and provide documentation showing, prior to its receipt of the instant request, a lawsuit styled *Hedrington v. City of Killeen et al.*, Cause No. 300,062-B, was filed and is currently pending against the city in the 146th Judicial District Court of Bell County, Texas. Therefore, we agree litigation was pending on the date the city received the present request for information. You explain the information at issue is related to the pending lawsuit. Based upon these representations and our review, we find the information at issue is related to the pending litigation. Accordingly, the city may withhold the remaining information under section 552.103(a) of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 at 3 (1982).

In summary, with the exception of information subject to section 773.091(g), which must be released, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code. The city may withhold the remaining information under section 552.103(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
