OR2019-05354

Dear Mr. Rodriguez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 752045 (ORR# TJim1).

The Corpus Christi Police Department (the "department") received a request for a specified incident report. The department represents it is withholding some of the requested information under section 552.130(c) of the Government Code and Open Records Letter No. 2016-00831 (2016).¹ The department claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Initially, we must address the procedural obligations of the department under section 552.301 of the Government Code, which prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See Gov't Code* § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Open Records Letter No. 2016-00831 authorizes the department to withhold dates of birth of members of the public under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting an attorney general's decision. *See Gov't Code* § 552.301(a); Open Records Decision No. 673 at 7-8 (2001).

from this office and state the exceptions that apply within ten business days of receiving the written request. Gov't Code § 552.301(b). The department asserts it received the request for information on November 29, 2019. However, the copy of the request for information that the department submitted is marked as having been received by the department on November 28, 2019. Thus, the department's ten-business-day deadline to request a ruling was December 12, 2019. The envelope containing the request for a ruling from this office is postmarked December 13, 2019. *See* Gov't Code § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail). Therefore, the department failed to comply with the procedural requirements mandated by section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will address the applicability of this section to the information at issue. However, we find the department has failed to establish a compelling reason to address its remaining exception.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses section 58.008(b) of the Family Code, which provides as follows:

Except as provided by Subsection (d), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* §§ 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22, 2017 Tex. Sess. Law Serv. 3173, 3187. The juvenile must have been at least ten years old and less than seventeen years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). Upon review, we find the submitted information does not involve a juvenile suspect, offender, or defendant engaging in delinquent conduct or conduct indicating a need for supervision for the purposes of section 58.008(b). Thus, the department may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008 of the Family Code. Accordingly, the department must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
