ATTORNEY GENERAL OF TEXAS

February 26, 2019

Ms. Sandra D. Carpenter  
General Counsel  
Round Rock Independent School District  
1311 Round Rock Avenue  
Round Rock, Texas 78681

OR2019-05424

Dear Ms. Carpenter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 752306.

The Round Rock Independent School District (the "district") received a request for information pertaining to investigations of a named teacher. You state the district will release some information. You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, the United States Department of Education Family Policy Compliance Office has informed this office the Family Educational Rights and Privacy Act ("FERPA"),

---

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

section 1232g of title 20 of the United States Code, does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act.<sup>2</sup> Consequently, state and local educational authorities that receive a request for education records from a member of the public under the Act must not submit education records to this office in unredacted form, that is, in a form in which "personally identifiable information" is disclosed. *See* 34 C.F.R. § 99.3 (defining "personally identifiable information"). You have submitted unredacted education records for our review. Because our office is prohibited from reviewing these education records to determine whether appropriate redactions under FERPA have been made, we will not address the applicability of FERPA to any of the submitted records. *See* 20 U.S.C. § 1232g(a)(1)(A). Such determinations under FERPA must be made by the educational authority in possession of the education records. However, we will consider your arguments against disclosure of the submitted information.

Section 552.116 of the Government Code provides as follows:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from the requirements of Section 552.021. If information in an audit working paper is also maintained in another record, that other record is not excepted from the requirements of Section 552.021 by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the information you have marked consists of audit working papers regarding an ongoing investigation of an employee. You state the audit at issue was authorized by the district's Board of Trustees. *See id.* § 552.116(b)(1). You explain a final investigation report has not been completed yet. Based on your representations and our review, we agree the submitted information constitutes audit working papers. Therefore, the district may withhold the submitted information under section 552.116 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
