Dear Ms. Antu-Sanchez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 752712.

The Bexar Appraisal District (the "district") received a request for specified declarations from a specified time period. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.149 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 22.27 of the Tax Code provides in part, the following:

- (a) Rendition statements, real and personal property reports, attachments to those statements and reports, and other information the owner of property provides to the appraisal office in connection with the appraisal of the

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

property, including income and expense information related to a property filed with an appraisal office and information voluntarily disclosed to an appraisal office or the comptroller about real or personal property sales prices after a promise it will be held confidential, are confidential and not open to public inspection. The statements and reports and the information they contain about specific real or personal property or a specific real or personal property owner and information voluntarily disclosed to an appraisal office about real or personal property sales prices after a promise it will be held confidential may not be disclosed to anyone other than an employee of the appraisal office who appraises property except as authorized by Subsection (b) of this section.

Tax Code § 22.27(a). You state the district is an “appraisal office” for purposes of section 22.27(a). You state the submitted information consists of information provided to the district by the property owners after a promise the information will be held confidential. There is no indication the exceptions in section 22.27(b) apply in this instance. *See id.* § 22.27(b)(2). Based on your representations and our review, we find the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 22.27 of the Tax Code.<sup>2</sup>
