Dear Ms. Lentz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 759563.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the sheriff's office must withhold the motor vehicle record information you marked under section 552.130 of the Government Code. Additionally, you assert, and we agree, the submitted video recordings contain confidential motor vehicle record information that is excepted from disclosure under section 552.130. In this instance, you state the sheriff's office does not possess the technological capability to redact information from video files. Thus, the sheriff's office must also withhold the submitted video recordings in their entireties under

section 552.130 of the Government Code.<sup>1</sup> *See* Open Records Decision No. 364 (1983). The sheriff's office must release the remaining information.
