City of Brenham
P.O. Box 1059

OR2019-06060

Dear Ms. Stack:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 754046 (City ID# 18-12-34).

The Brenham Police Department (the "department") received a request for information pertaining to a specified accident. You state the department has released some information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Initially, we note some of the submitted information consists of a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.² However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s or driver’s license or permit, or motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov’t Code § 552.130(a). Upon review, we agree the dashboard video recording contains motor vehicle record information. In this instance, the department states it does not possess the technological capability to redact information from video files. Thus, we agree the department must withhold the dashboard camera recordings under section 552.130 of the Government Code.³ *See* Open Records Decision No. 364 (1983).

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The department must withhold the dashboard camera recordings under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²As we are able to make this determination, we need not address your arguments against disclosure of this information.

³As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Kelly McWethy
