

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 5, 2019

Ms. Kia Weathersby
Deputy City Clerk
Office of City Clerk
P.O. Box 1431
Wichita Falls, Texas 76307

OR2019-06085

Dear Ms. Weathersby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 753186 (Ref. No. 1081).

The City of Wichita Falls (the "city") received a request for the awarded vendor response, finalist meeting documents, and the awarded contract related to a specified request for proposals ("RFP"). Although you take no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the proprietary interests of Quad/Med, LLC ("Quad/Med"). Accordingly, you state, and provide documentation showing, you notified Quad/Med of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

Initially, we note the city has only submitted the awarded vendor response and contract related to the specified RFP. To the extent information responsive to the remainder of the request existed on the date the city received the request, we assume you have released it. *See* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible). If you have not released any such information, you must do so at this time. *See* Gov't Code §§ 552.301(a), .302.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See id.* § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from Quad/Med. Thus, we have no basis to conclude Quad/Med has a protected proprietary interest in the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any of the submitted information on the basis of any proprietary interest Quad/Med may have in the information.

We note some of the submitted information appears to be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit. The city must release the submitted information; however, any information subject to copyright may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
