Dear Mr. Rodriguez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 755914 (ORR# KRui1ACS).

The Corpus Christi Police Department (the "department") received a request for information pertaining to specified reports. The department states it is withholding some of the requested information in accordance with Open Records Letter No. 2016-00831 (2016) and Open Records Decision No. 684 (2009).<sup>1</sup> The department claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

The requested information was the subject of a previous request for information, in response to which this office issued Open Records Letter No. 2019-02785 (2019). In Open Records Letter No. 2019-02785, we determined the department must release the information at issue. We have no indication the law, facts, or circumstances on which the prior ruling was based

---

<sup>1</sup>Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain categories of information, including an e-mail address of a member of the public under section 552.137 of the Government Code, without the necessity of seeking a decision from this office. Open Records Letter No. 2016-00831 authorizes the department to withhold dates of birth of members of the public under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting an attorney general's decision. See Gov't Code § 552.301(a); Open Records Decision No. 673 at 7-8 (2001).

have changed. Accordingly, the department must rely on Open Records Letter No. 2019-02785 as a previous determination and release the identical information in accordance with that ruling.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. James L. Coggeshall
