Dear Ms. Schloss:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 754063 (GLO ID# 19-0263).

The Texas General Land Office (the "GLO") received a request for a specified budget. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.104 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 11.086(a) of the Natural Resources Code, which provides, in part:

Information relating to the development, location, purchase price, or sale price of real property developed, purchased, or sold by or for the School Land Board [(the "SLB")], Veterans' Land Board, land office, or commissioner under authority granted by this code, including a contract provision related to the development, purchase, or sale of the property, is confidential and exempt from disclosure under [the Act], until all deeds for the property that are applicable to the transaction or series of related transactions are executed and until all substantive performance or executory requirements of applicable contracts have been satisfied. Information that is confidential and exempted from disclosure under this subsection includes an appraisal, completed report,

evaluation, or investigation conducted for the purpose of locating or determining the purchase or sale price of the property, or any report prepared in anticipation of developing, purchasing, or selling real property.

Nat. Res. Code § 11.086(a). You assert the information at issue relates to the development, location, purchase price, or sale price of real property developed, purchased, or sold by or for the SLB, the land office, or commissioner under authority granted by the Natural Resources Code. You state the submitted information is part of a series of transactions that are still ongoing. Based on these representations and our review, we agree the submitted information is confidential under section 11.086 of the Natural Resources Code, and the GLO must withhold the submitted information under section 552.101 of the Government Code on that basis.<sup>1</sup>
