Ms. Cynthia Tynan
Senior Attorney & Public Information Coordinator
The University of Texas System
210 West 7th Street
Austin, Texas 78701-2901

OR2019-06769

Dear Ms. Tynan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 754284 (OGC No. 186393).

The University of Texas at San Antonio (the "university") received a request for information pertaining to a specified request for proposals. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the requestor has asked the university to answer questions. The Act does not require a governmental body to answer factual questions, conduct legal research, or create new information in responding to a request. *See* Open Records Decision Nos. 563 at 8 (1990), 555 at 1-2 (1990). However, a governmental body must make a good faith effort to relate a request to information held by the governmental body. *See* Open Records Decision No. 561 at 8 (1990). We assume the university has made a good faith effort to do so.

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). You represent the submitted information pertains to a competitive bidding situation for surveillance camera work. You state a

winning bidder has not been selected, and no contracts have been awarded. Further, you assert release of this information would undermine the university's bidding and negotiating positions in procuring a contract for the services at issue. After review of the information at issue and consideration of the arguments, we find you have established the release of the information at issue would give advantage to a competitor or bidder. Thus, we conclude the university may withhold the submitted information under section 552.104(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Britni Ramirez
