

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

March 14, 2019

Mr. Stephen D. Gates  
First Assistant City Attorney  
City of Midland  
P.O. Box 1152  
Midland, Texas 79702

OR2019-07083

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 754581 (M025417-122618)

The City of Midland (the "city") received a request for specified video footage from the city's police station. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by chapter 418 of the Government Code. As part of the Texas Homeland Security Act (the "HSA"), sections 418.176 through 418.182 were added to chapter 418 of the Government Code. These provisions make confidential certain information related to terrorism. Section 418.182(a) of the Government Code provides, in part:

[I]nformation . . . in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential.

*Id.* § 418.182(a). The fact that information may be related to a security system does not make the information *per se* confidential under section 418.182. *See* Open Records Decision No.

649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting section 418.182 must adequately explain how the responsive information falls within the scope of the statute. *See Gov't Code* § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

The submitted information consists of security camera video recordings from the city's police and communications center (the "center"). You state the submitted video recordings are part of the center's security system and reveal the locations of security surveillance cameras located throughout the center. You also state the security system is used to protect public and private property from criminal activity. Upon review, we find the submitted security camera video recordings relate to the location of a security system used to protect public or private property from an act of terrorism or related criminal activity. *See Tex. Dep't of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (finding confidential under section 418.182 of the HSA video recording containing images recorded by security cameras in Texas Capitol hallway because specifications of security system included cameras' capabilities and video recording demonstrated those capabilities through characteristics, quality, and clarity of images recorded). Accordingly, the city must withhold the submitted video recordings in their entirety under section 552.101 of the Government Code in conjunction with section 418.182 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
