Dear Mr. Phelps:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 759257 (HCAD Ref. No. 19-1317).

The Harris County Appraisal District (the "district") received a request for specified information related to a specified district account. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 22.27 of the Tax Code, which states in pertinent part:

(a) Rendition statements, real and personal property reports, attachments to those statements and reports, and other information the owner of property

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

provides to the appraisal office in connection with the appraisal of the property, including income and expense information related to a property filed with an appraisal office and information voluntarily disclosed to an appraisal office or the comptroller about real or personal property sales prices after a promise it will be held confidential, are confidential and not open to public inspection. The statements and reports and the information they contain about specific real or personal property or a specific real or personal property owner and information voluntarily disclosed to an appraisal office about real or personal property sales prices after a promise it will be held confidential may not be disclosed to anyone other than an employee of the appraisal office who appraises property except as authorized by Subsection (b) of this section.

Tax Code § 22.27(a). The district argues the submitted information is confidential under section 22.27(a). We understand the district is an appraisal office for purposes of section 22.27. You state the information you marked consists of information provided to the district by the property owner in a rendition statement or other personal property report in connection with the appraisal of the owner's property pursuant to section 22.27(a). *See id.* The district states none of the exceptions in section 22.27(b) apply in this instance. *See id.* § 22.27(b). Thus, based on the district's representations and our review, the district must withhold the marked information under section 552.101 of the Government Code in conjunction with section 22.27(a) of the Tax Code. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
