Ms. Brandi Henderson  
Custodian of Records  
Kaufman County Sheriff's Office  
P.O. Drawer 849  
Kaufman, Texas 75142

OR2019-07141

Dear Ms. Henderson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 754678.

The Kaufman County Sheriff's Office (the "sheriff's office") received a request for specified information relating to a certain case. You state the sheriff's office has released some information. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.1085 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the requestor seeks a specified water sample. The Act applies to "public information," which is defined in section 552.002 of the Government Code. Section 552.002 provides, in pertinent part:

(a) In this chapter, "public information" means information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:

- (A) owns the information;
  - (B) has a right of access to the information; or
  - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or
- (3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). This office has ruled tangible physical items are not "information," as that term is contemplated under the Act. *See* Open Records Decision No. 581 (1990). Thus, the water sample is not public information for purposes of section 552.002 of the Government Code and the Act does not require the sheriff's office to make the water sample available to the requestor. *See* Gov't Code § 552.021.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending prosecution. Based on your representation and our review, we find release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>1</sup>As our ruling is dispositive, we need not address your remaining arguments against disclosure of the submitted information.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
