Mr. Mark C. Kratovil  
Assistant Criminal District Attorney  
Tarrant County

Dear Mr. Kratovil:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 761054.

The Tarrant County Criminal District Attorney's Office (the "district attorney's office") received a request for information pertaining to a specified offense. You argue, pursuant to section 552.028 of the Government Code, the district attorney's office need not comply with the request for information. We have considered your arguments and reviewed the submitted information.

Section 552.028 of the Government Code provides, in relevant part:

(a) A governmental body is not required to accept or comply with a request for information from:

- (1) an individual who is imprisoned or confined in a correctional facility; or
- (2) an agent of that individual, other than that individual's attorney when the attorney is requesting information that is subject to disclosure under [the Act].

(b) This section does not prohibit a governmental body from disclosing to an individual described by Subsection (a)(1), or that individual's agent, information held by the governmental body pertaining to that individual.

Gov't Code § 552.028(a)-(b). You state, and provide documentation supporting, the requestor is currently incarcerated in a Texas Department of Justice correctional facility. *Id.* § 552.028(c) ("correctional facility" is place for confinement of a person arrested for or charged with criminal offense). Thus, because the requestor is an inmate imprisoned or confined in a correctional facility, pursuant to section 552.028 of the Government Code, the district attorney's office may decline to accept or comply with the request for information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
