

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

March 18, 2019

Mr. Nathan Brown  
Assistant City Attorney  
City of New Braunfels  
550 Landa Street  
New Braunfels, Texas 78130

OR2019-07390

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 757070 (ORR# 57-19).

The New Braunfels Police Department (the "department") received a request for information pertaining to a specified incident. The department claims the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, we must address the procedural obligations of the department under section 552.301 of the Government Code, which prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. Gov't Code § 552.301(b). The department informs us it received the request for information on January 4, 2019. Thus, the department's ten-business-day deadline to request a ruling was January 18, 2019. We note the envelope in which the city originally submitted the information required by section 552.301(b) was returned to the city for insufficient postage, and the city again submitted the required information to this office. The envelope in which the city provided the information required by section 552.301(b) is postmarked January 22, 2019. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract

carrier, or interagency mail). Section 552.308 of the Government Code provides, when a submission within a specified time period is required under the Act, the time requirement is met if the submission is sent by first class mail “with postage . . . prepaid” and the postmark date is within the required time period. *See id.* § 552.308(a). Therefore, the department failed to comply with the procedural requirements mandated by section 552.301(b).

Pursuant to section 552.302 of the Government Code, a governmental body’s failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will address the applicability of this section to the information at issue.<sup>1</sup> However, we find the department has failed to establish a compelling reason to address section 552.108.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses section 261.201(a) of the Family Code, which provides as follows:

[T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation under chapter 261. *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201), 261.001(1) (defining “abuse” for purposes of section 261.201). Thus, the information is within the scope of section 261.201 of the Family Code. The department does not indicate it has adopted a rule that governs the release of this type of

information. Therefore, we assume no such rule exists. Given that assumption, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
